MEMORANDUM FOR: Chief, Special Contracting & Procurement Staff, NPIC/TSSG
SUBJECT : Reprogramming of the Color Control Cell Design Concept
Project from FY-1970 to FY-1971 Funds

1. We have decided to postpone initiation of the planned FY-1970 contract for the development of a Design Concept for a Color Control Cell until shortly after the beginning of fiscal year 1971. Neither of the two proposals received provide an adequate basis for the planned study contract. The development objectives will be modified to overcome the deficiencies in the proposals and we will resubmit them for an RFP very early in FY-1971. We may have additional contractors to solicit at that time; notably,

Chief, Technical Services & Support Group, NPIC
